### P&W HOME OWNER

"I really enjoy living at Lake Whitehurst. It's like "resort living" right out your back door! Go boating, kayaking, fishing, swimming or just relax on a raft on the gorgeous, sparkling lake! The neighborhood is quiet, friendly and safe! It's the type of place where you can really get to know your neighbors, walk your dog, bike and more. P&W Builders were "top notch" and easy to work with in building my customized house. I have a high quality built home that I absolutely love! Come join the neighborhood!"
